Instructions: Complete the table below with your Top Strengths or Top Strengths Roles (according to the assessment), as well as insights from your results report and your own reflection. If your report gives you more than 5 Top Strengths, pick 5 that you would like to focus on for this training.

Example: Responsibility	<ul style="list-style-type: none"> Take ownership of every project to ensure high quality output/outcomes. I am extremely reliable. Others can count on me and often turn to me for support. 	<ul style="list-style-type: none"> I tend to take on too much and get overwhelmed. I feel responsible for everything. I need to be more selective about what I take on. 	<ul style="list-style-type: none"> Delegate more. Divide up tasks with others and be clear about who's responsible for what. Say no to projects that are not aligned with our annual priorities. Negotiate deadlines if needed. Work with my supervisor to come up with clear metrics to know what's enough.
